A BILL FOR

An Act to authorize the Board of Supervisors of Tama County, Iowa, to transfer thirty-five thousand dollars (\$35,000.00) from the County Road Bond Fund to the General Fund.

Whereas, at a special election held in Tama County, Iowa, on June 17th, 1926, a majority of the electors voting authorized the issuance of bonds in the total amount of nine hundred thirty-three thousand dollars (\$933,000.00) for the construction and improvement of certain county roads of Tama County and

Whereas, five hundred fifty thousand dollars (\$550,000.00) of said bonds have been issued and sold, and

Whereas, in estimating the amount of bonds necessary for said construction and improvement, ten per cent (10%) of said sum was allowed for engineering expense, which cannot be legally paid from the proceeds of said bonds, and

Whereas, projects constructed to date have cost less than ninety per cent (90%) of the estimate made, and

Whereas, due to the heavy engineering expense entailed, there is now and will be in 1929 a deficit in the General Fund and Tama County will be unable to proceed with its road program unless relief is granted, therefore:

Be It Enacted by the General Assembly of the State of Iowa:
